2025 HIGHER ED & RESEARCH TECH SUMMIT

BCNET CONNECT

Sponsorship Program 2025

April 1–3, 2025

Sheraton Vancouver Wall Centre

Sponsor CONNECT 2025

CONNECT is a three-day event for the BCNET member community of higher ed IT professionals and leaders who are taking their learning to new levels. The BCNET membership is made up of 44 higher education and research members in B.C.

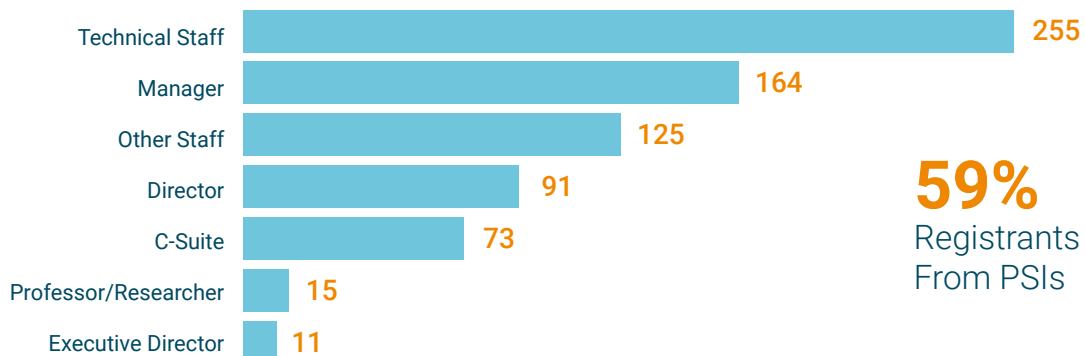

Now in our 25th year, the CONNECT Summit brings together the community to learn and shape the digital landscape for higher ed. CONNECT 2025 is a gathering of 750 in person delegates who connect to explore, contribute and discover solutions to today's technology challenges.

With an expo hall for our sponsor partners, three big-picture keynotes, six tracks, 60+ session topics, three social connector events, we're bringing our attendee experience to a whole new level.

Who You'll Reach

The BCNET CONNECT Tech Summit will bring together higher education member delegates including technical IT staff, directors, managers and executives, as well as partners in the National Research and Education Network. Our member community is made up of British Columbia's 25 public colleges, universities and institutes, as well as research institutes and private higher education institutions.

ATTENDEE PROFILE
